GARLIC

Happy Fall! This week's share is packed full of fall goodness. Plenty of first of the season veggies, including: delicata squash, leeks, celeriac & french fingerling potatoes. This is truly the time of year when I crave warm and hearty meals and these vegetables definitely deliver in this department! It's also the time of year when I begin to have a little more time to cook because the days are shorter and I end up in the house earlier.

Playful little Luna!

Some of our favorite things to eat are potato leek soup, roasted garlic spread on bread and baked potatoes with caramelized onions and sauteed peppers piled on top;

comfort foods that keep us warm and well nourished.

There are 2 weeks left of the Summer CSA. If you signed up for a Fall Share, the first share will be October 22nd!
