C G C G
She works 12 hours a day makin' minimum wage
Got a year old baby from a boy who went away
Em D C
It'll be all night before she's getting done
Feels like runnin but there's nowhere to run.

G D C
Shannon – Life's a ballet
Shannon – Dance your life away
Shannon – Skies might be gray
Shannon – But don't run away.

C G C G
Her momma tells her she should do more with her life
She says to find a good man marry him and be his wife
Em D C
Shannon wants to go to school and find her dream
No more playin the fool and swimming upstream

CHORUS

I told her...
Bridge
Am D
Don't let anyone tell you who you are
Am D
You have every right to follow your star, So stand up

G D C
Shannon 2X

C G C G
Its been ten years on Shannon's living her dream
A high paid attorney down in New Orleans
Em D C
A beautiful daughter at the top of her class
And she told that dead beat boy to Kiss her ass

G D C
Shannon – Life's a ballet
Shannon – Dance your life away
Shannon – Skies might be gray
Shannon – But don't run away.
