

Drive That Camaro

By Scott Wilcox Jan. 2, 2017

G Em G Em
Two years since he went to war killed men on another shore
C G

But when he came home he felt all alone

G Em G Em
His wife knew by the look in his eyes he'd seen things that just weren't right,
C G

His soul burned, but where to turn?

Bm C Am
Then he'd fly out the back door flappin' like a sparrow

Bm C Am
A burnin' rage that burned right down to the marrow

C-D G/Em/C

He needed to go, drive that Camaro.

G Em G Em
She could tell he lost his will, the day when they closed the mill
C G

It was a good check, where he earned respect.

G Em G Em
Another town with a man shot down, A handgun with a single round
C G

A baby cries, then his young wife

Bm C Am
She remembers how he'd fly out the door like a sparrow

Bm C Am
He had a rage that burned right down to the marrow

C-D G/Em/C

He needed to go, drive that Camaro.

BRIDGE~

Am C G
This is the one thing of your daddy's that reminds me

Am C G
I believe when I drive this car he's beside me

Am C G/Em/C
So now you're 16; here's the keys. Drive that Camaro

~In the US around 20 veterans die by suicide each day.

~in 2014 there were 2,400 veteran deaths from suicide.
~ Risk of suicide for female veterans is 2 ½ times higher than non-veteran females
