

Destiny

Written by Scott Wilcox © 1983

We all know that someday we'll die
Some days we live and some days we cry
But we also know that our dreams should survive

We all know that we all will live
We all can learn how to give
But we also know that our thoughts are alive
It's Destiny.

Chorus

Sometimes I think of how it used to be
You and I another try at destiny
Sometimes I wonder why you'd chosen me
That one last kiss I'll never miss it's Destiny.

Now I dream occasionally,
On how these things came to be,
But I also know that Destiny cannot be seen

Sometimes I miss that very first kiss
When I thought I'd known all there is
But now I know that I've got so much to learn
It's Destiny

Chorus
