By Scott Wilcox

G D
In the morning I open my eyes
 Em C
I see you face in the morning light
G D
Enjoy a cup of love and I realize
 Em C
The day's gonna be alright – alright

G D

The first thing when I wake up

Am D
And every time I see your smile
 G Em
IT sweeps me away for a little while
Am D7
And all from a little cup of love (G/D/ Em/C (scat))
