Midwest Midnight © 10/31/2013 Written by Scott Wilcox

G D Em/C
We met on a Monday in the moonlight
G D C
Her daddy said we moved to fast
G D Em/C
Our love was reckless filled with passion
G D C
We knew it was never meant to last
Am D
But then I woke up in the middle of the night
Am D
I watched her pack up and say there's no need to fight.

G D
Now all I have is a little red tail light
Em C
Driving away on a Midwest midnight
G D C
Taking away that warm sunny day of mine
G D
Driving away in her Chevrolet
Em C
With the radio on and tears on her face
G D C Am/D
This isn't at all the night that I had in mind
G/Em/C/D…
Say goodbye to that light of mine.

G D Em/C
The way her hair would blaze in the firelight
G D C
Her face was grace light by the moon
G D Em/C
A spirit wild and free that burned bright
G D C
We always said it would end too soon
Am D
So when I saw her leaving in the middle of the night
Am D
I watched her pack up her things and leave my life
(CHORUS)
C Em
I don't know how I'll feel tomorrow
C G
I don't know what I'm gonna say
C Em
But I know that our time is borrowed
C D
So appreciate today
