

## **In Your Eyes**

Believe me, I've searched your eyes for the truth.  
Believe me, I've searched your skies for some blue.  
But I don't know where I can find you  
In my mind I've left behind you  
And I hope this time will remind you how I tried.

I love you, but there's no way I can confide.  
I need you, but I can't win against your pride.  
And you know that I'll always love you  
But it's time I put my life above you  
Everyday I'll be thinking of you and your eyes.  
Oh, your eyes...

Now I've had time to see  
The one who is right is me  
And I haven't the strength to stay in your life.  
Oh, in your life...  
No I haven't the strength to stay in your eyes.
