E A7
Oh my brother, are you free?
D A E
Free to think the way you do?
Oh my sister, Come with me
And say what you believe is true.
Oh my mother, make me strong.
So I can stand up to tyranny.
Oh my lover, I'll be true
And give solidarity to you.

E A D A E
Solidarity, freedom and unity.
Solidarity, Freedom for you and me

Now I was born, in a lucky world
Born and Bred in the USA
Now I was taught ya'all, that I was free
Free to think, and do, and say
E A
Oh my governor, I'll be strong
D A E
And I'll say the things I say
E A
Oh my senator, hear my voice
D A B7
Cause I will not go away.

Solidarity, Freedom and Unity
Solidarity, Freedom for you and me

We're united, where we stand
And together we are strong
We'll be remembered, with our words
Long long after we're gone

Chorus
