G Bm C G
This is the day that the Lord hath made
 C G C/D
And I'm so glad He made you.
G Bm C G
With each rising sun you are here by my side,
 C G D
You are more than a dream come true.
 C D C G
Oh, to have you, to hold you, to love you, to pray
 C D C D
To share with, to care with, to hold hands and say:

This is the day that the Lord hath made

And I will rejoice, I will rejoice
C D G
I will rejoice with you
