

Grains of Sand

Written by Scott Wilcox © 7/6/2013

D
We were two grains of sand
A
A young woman and a young man
Em G D A
Washed up on the beach among the raging sea
D
Of all the grains of sand
A
You found a place to land
Em G D A
Out in the sunshine lyin next to me

Em
Of all the beaches in the world
C
I was given an amazing girl
G D
So that I'll never be alone
Em
And if you'll be my wife
C
I'll spend all my life
G D
Working to make that love grow
Em
We were two grains of sand

D
What are the odds that we
A
Could find each other in a ragin sea
Em G D A
It seems that it has to be, a grander plan
D
Two souls such as us
A
Why should God even make a fuss?
Em G D A
Still he puts all his trust in a grain of sand

Chorus
