

LYRICS FOR AUGUST 8 BACKYARD WORSHIP EVENT

Verse 1

He brought me to His banqueting table
(He brought me to His banqueting table) [X2]
And His banner over me is love

Verse 2

I am my beloved's and He is mine
(I am my beloved's and He is mine) [x2]
And His banner over me is love
Yes, His banner over me is love

Chorus

We can feel the love of God in this place
We believe Your goodness, we receive Your grace
We delight ourselves at Your table, oh God
You do all things well, just look at our lives

Bridge

His banner over you, His banner over me
His banner over us is love, love, love

Waiting

There is hope
Waking up the morning like the rising sun
There is hope
Burning up the darkness like the dawn
I believe
There's an hour coming when these tears will dry I believe
If we want to live we have to die

Waiting (continued)

Chorus

Waiting on the earth like it is with you
Still waiting on the earth like it is

Verse 2

There is gold
Hidden in the mountain of Emmanuel
There is gold flowing from the vein into the well
I believe
All the poor and thirsty can come and buy I believe
Nothing else will ever satisfy

Bridge

You said the kingdom is among us
But I'm still waiting on the promise
When dead will wake up and dust will breathe
The spirit moving into every single thing
You make all things new You make all things new

HUNGRY

Hungry, I come to you
for I know you satisfy
I am empty, but I know
your love does not run dry
So I wait for you, so I wait for you

I'm falling on my knees
Offering all of me
Jesus, you're all this heart is living for

Broken, I run to you
For your arms are open wide
I am weary, but I know

Your touch restores my life
So I wait for you, so I wait for you

So I wait for you, so I wait for you
So I wait for you, so I wait for you

One Thing Remains

Higher than the mountains that I face
Stronger than the power of the grave
Constant in the trial and the change
One thing remains, one thing remains

Your love never fails, never gives up
Never runs out on me (repeat)

On and on and on and on it goes
It overwhelms and satisfies my soul
And I never, ever, have to be afraid
One thing remains, one thing remains

In death, in life, I'm confident and
Covered by the power of your great love
My debt is paid, there's nothing that can
Separate my heart from your great love

Simple Gospel

Verse 1

I want to know You, Lord
Like I know a friend
I want to know You, Lord

Chorus 1

So I'm laying down all my religion
I'm laying down, I want to know You, Lord

Verse 2

I used to think
That I could box You in
But I'm laying down
I want to know You, Lord

Verse 3

Lord, I've been told
To be ashamed
Lord, I've been told
I don't measure up
Lord, I've been told
I'm not good enough
But You're here with me

Bridge

I reach out, and You
Find me in the dust
And You say no amount of untruths
Can separate us

Chorus 2

I will rejoice in the simple gospel
I will rejoice in You, Lord

What a Beautiful Name

You were the Word at the beginning
One with God the Lord Most High
Your hidden glory in creation
Now revealed in You our Christ

What a beautiful Name it is, What a beautiful Name it is
The Name of Jesus Christ my King
What a beautiful Name it is
Nothing compares to this
What a beautiful Name it is, the Name of Jesus

You didn't want heaven without us
So Jesus You brought heaven down
My sin was great Your love was greater
What could separate us now

What a wonderful Name it is, What a wonderful Name it is
The Name of Jesus Christ my King
What a wonderful Name it is
Nothing compares to this
What a wonderful Name it is
The Name of Jesus

Death could not hold You, the veil tore before You
You silence the boast of sin and grave
The heavens are roaring the praise of Your glory
For You are raised to life again
You have no rival, You have no equal
Now and forever God You reign
Yours is the kingdom, Yours is the glory
Yours is the Name above all Names

What a powerful Name it is, What a powerful Name it is
The Name of Jesus Christ my King
What a powerful Name it is
Nothing can stand against
What a powerful Name it is, the Name of Jesus

Save Me

Verse 1

Save me

From leaning on my own understanding

Honestly, what have I left to prove

When all the questions lead me back to You

Verse 2

Meet me

Find me in the joy of the beginning

Before the world had told me what You couldn't do

When I had that simple childlike faith in You

Chorus

I just wanna be in the room, where my heart says yes

Just to see You move, so I can breathe again

I wanna be lost in love, hallelujah

I want to be in the room, when You move

Verse 3

Keep me

Find me here content inside the waiting

Let every shadow come into the light

Let every heart discover that You're kind

Bridge

I can see again, I can feel again, I believe again

I can hope again, I have joy again, I believe again

Like a child again, I can dream again, I believe again

I can see again, I can feel again, I believe again

Raise a Hallelujah

Verse 1

I raise a hallelujah, in the presence of my enemies
I raise a hallelujah, louder than the unbelief
I raise a hallelujah, my weapon is a melody
I raise a hallelujah, heaven comes to fight for me

Chorus

I'm gonna sing, in the middle of the storm
Louder and louder, you're gonna hear my praises roar
Up from the ashes, hope will arise
Death is defeated, the King is alive

Verse 2

I raise a hallelujah, with everything inside of me
I raise a hallelujah, I will watch the darkness flee
I raise a hallelujah, in the middle of the mystery
I raise a hallelujah, fear you lost your hold on me

[Chorus]

Bridge 1

Sing a little louder (Sing a little louder)
Sing a little louder (Sing a little louder)
Sing a little louder (Sing a little louder)
Let's sing a little louder (Let's sing a little louder)

Bridge 2

Sing a little louder (In the presence of my enemies)
Sing a little louder (Louder than the unbelief)
Sing a little louder (My weapon is a melody)
Sing a little louder (Heaven comes to fight for me)

This is Amazing Grace

Who breaks the power of sin and darkness
Whose love is mighty and so much stronger
The King of Glory, the King above all kings

Who shakes the whole earth with holy thunder
Who leaves us breathless in awe and wonder
The King of Glory, the King above all kings

Chorus:

This is amazing grace
This is unfailing love
That You would take my place
That You would bear my cross
You would lay down Your life
That I would be set free
Jesus, I sing for
All that You've done for me

Verse 2:

Who brings our chaos back into order
Who makes the orphan a son and daughter
The King of Glory, the King above all kings

Who rules the nations with truth and justice
Shines like the sun in all of its brilliance
The King of Glory, the King above all kings

Bridge:

Worthy is the Lamb who was slain
Worthy is the King who conquered the grave
Worthy is the Lamb who was slain
Worthy is the King who conquered the grave

All Things Come from You

You're the air we breathe, the song we sing, the life we live
Every moment of every single day is the gift you give
All things come from you, all things come through you
all things are coming back to you

Chorus

We say thank you, Thank you,
Thank you, dear Lord

Verse 2

And with every step, we look to you, we wait for you
You are whispering your words of love, your words of truth
Our lives come from you, Our lives come through you
Our lives are coming back to you

Every good gift comes down from the Father of lights

Promises of Wonder

Verse 1

God, Your love meets my heart like a song
And it echoes on and on
In bitter cold, winter's storm
Your melody comes
Sets my feet on the path leading home

Verse 2

You've dropped Your love in my heart like a stone
And it ripples on and on
Though the dark stretches far
One thing I still hold
That You never have left me alone

Chorus

Behind me, before me
Wherever I go Your love enfolds me
Over and under
You wrap me in promises of wonder

Verse 3

God, Your love keeps my heart like a home
It perfects me on and on
In far places through the ages
My story will tell of a Father whose love never fails

Bridge

In the darkest place when death closes in
All Your promises are yes and amen
To the fatherless Your love rushes in
All Your promises are yes and amen

Ending

Always and only
The mark of Your love will be my glory
My Father, my treasure,
In time and eternity forever

Home of God

Verse 1

I found You with the poor one
Hungry and heartbroken
The river of Your love flows down
I found You with the hated
Lonely and mistreated
The river of Your love flows down

Chorus

The perfect and holy Son
Is living with the lowest ones
His love is written on the faces
Of the children in the lowest places
So give us a pure, give us a humble heart
Make us the home of God

Verse 2

I found You with the humble
Born inside a stable
The river of Your love flows down
Laid into a manger
Son of God and Savior
The river of Your love flows down

Bridge

Make us the home, make us Your home...

Breathe

Verse 1

This is the air I breathe
This is the air I breathe
Your holy presence living in me

Verse 2

This is my daily bread
This is my daily bread
Your very word spoken to me

Chorus

And I, I'm desperate for You
And I, I'm lost without You

Come Let Us Return

Come let us return unto the Lord
(Come let us return unto the Lord) [3x]

Come let us return unto the Lord
(Come let us return unto)

For He has torn us but He will heal us
For He has wounded us, but He will bandage us

And he will come
He will come to us, like rain, spring rain
He will come to us, like rain, spring rain
He will come to us, like rain, spring rain

If we ask, He will come, send His rain, on everyone
