

We Are The Change

Laurie Lewin

$\text{♩} = 80$ 8 **VERSE 1**

Ev-ery-thing ha-p-pens in a sin-gle mo-ment

11 3

Ev-ery-thing ha-p-pens in the blink of an eye You've got to seize each pre-cious

14 **BRIDGE**

se-ond Can't a - fford to let your life slip by Ev-ery-thing you want-ed

18

All your heart's de - sire It's there if you want it All you've

20 **CHORUS**

got to do is reach out there and try I am you, you are me We are

24

ev - ery-thing we see We are the earth, the wind, the sky and the moun -

26

- tains We are ev - ery-thing we've done we are ev-ery-thing un-der the sun, and

29

We are the change We are the change We are the change we all want to see

33 **VERSE 2**

You're like a wave ro-lling in from the o - cean You're like a

36

star some-bo-dy plucked out from the sky It's all a drip, drip, drip in that pond of e -

39
mo-tions It's all the stuff of your ma - gic car - pet ride

42 **BRIDGE**
Ev - ery-thing you want-ed All your heart's de - sires

44 **CHORUS**
It's there if you want it All you've got to do is reach out there and try I am

48
you, you are me We are ev - ery-thing we see We are the earth,

50
the wind, the sky and the moun - tains We are ev - ery-thing we've done we are

53
ev - ery-thing un - der the sun, and We are the change We are the change

56 **Middle 8**
We are the change we all want to see Your life goes round and round in

60
cir-cles But you know, it does-n't have to be that way You've got to

63
stop, you've got to stop And li - sten to the mu - sic in your life And

65 **CHORUS**
take a li - ttle time to see the ma - gic That's in your day I am

70
you, you are me We are ev - ery-thing we see We are the earth,

72

the wind, the sky and the moun - tains We are ev - ery-thing we've done we are

75

ev-ery-thing un-der the sun, and We are the change We are the change

78

We are the change we all want to see We all want to see We all want to see

83

We are the change We are the change We are the change

87

We are the change We are the change We are the change
