I look a round the world it seems we're in a race Why

13

does it have to be such a com pli ca ted place

17

I list en to the news you know it makes me

21

sad Those cra zy po li ti cians dri ving peo ple mad They

25

take a way the trees they take a way the land

29

De stro ying all the fo rests it's hard to un

33

der stand They're dri lling for more oi l ev ery sing le day We

37

turn it in to plas tic and throw it all a way

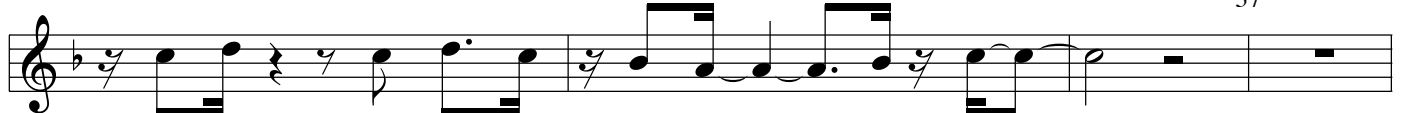

41 3

What kind of world are we try ing to make? What

45

kind of world are we try ing to make? Is this

37

the way we want every thing to be?

41

Is this the future that we really really want to see?

45

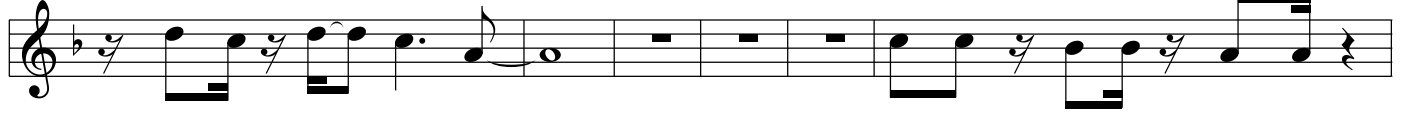

Or can we learn to dance a different kind of dance to

49

day? Give our selves a chance find our

53

selves a better way All these smo ky chim neys

57

they're mess ing up the air The cli mate keeps on chan

61

ging does any y bod y care The beau ty of

65

our pla net it's just a dis tant dream They're poi son ing the riv ers

69

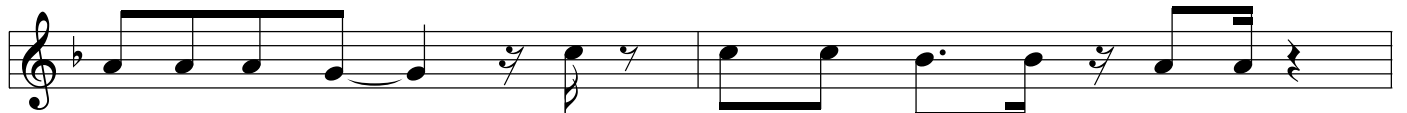

they're poi son ing the streams The pi per plays his tune

73

and we all dance a long There is no real rhy thm there is

77

no re al song We need some diff erent mu sic

69

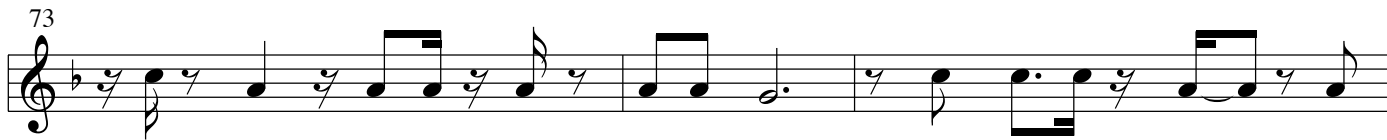

and learn to dance a gain We're lost out in the wil

der ness sleep wal king 'til the end What kind

73

of world are we try ing to make? What kind of world are

77

we try ing to make? Is this the way we

81

want eve ry thing to be? Is this

85

the fu ture that we re ally re ally want to see?

89

Or can we learn to dance a diff erent kind of dance

to day? Give our selves a chance find

93

our selves a be tter way Give our selves

97

a chance find our selves a be tter way

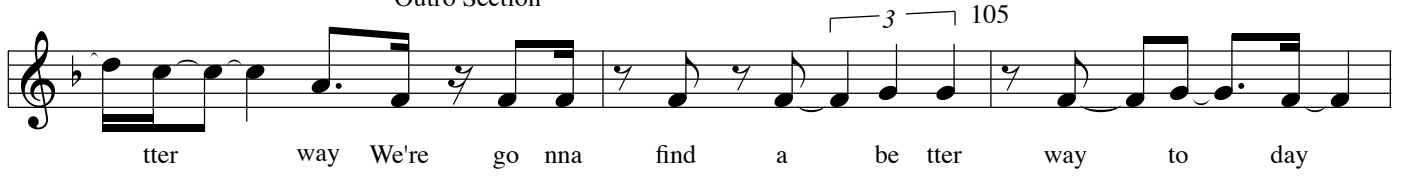

101

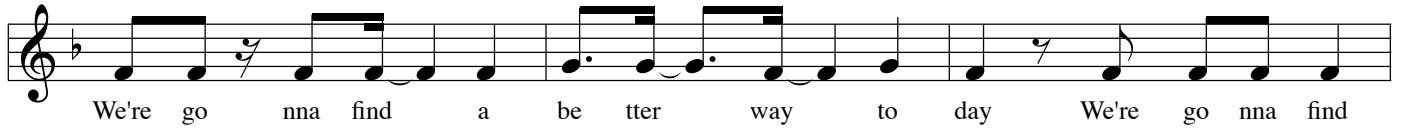

Give our selves a chance find our selves a be
