

How to make the Billy Goats Gruff Stick Puppets!

By Tom Knight

Supplies:

Printer and Paper

Scissors

Clear Tape

6 Craft Sticks (or straws, or pencils, or plastic forks)

Markers

Instructions:

1. Print out the drawings.

2. Color in the drawings. (Light colors work better than darker, so you can see the printed details.)

3. Cut out the shapes.

4. Tape the bridge together.

5. Tape the goat puppets to the sticks

That's it! Time to put on a show! Make up your own stories.
