

Ragani brief bio:

Named as “100 Milwaukeeans You Need to Know”, Ragani’s award-winning music has touched the hearts of the world for over 35 years. She has been featured in numerous national and international publications, including *Recording Magazine* and the award-winning book/videos: *Yoga: Mastering the Basics*. An award-winning artist and producer, she has written music for film & tv (The Oprah Winfrey Show, etc.). With a doctorate in psychology, she works as a transformational coach and acupuncturist, and she is known for her wit and down-to-earth style, through which she gracefully shares the timeless wisdom of her Himalayan lineage through her music, her teachings, and her healing practices. Find her at www.RaganiWorld.com.
