

Tommy Gardner's **You are a SUPERHERO...**

Speaking program for middle and high school students

Everyone is a SuperHero...IF they choose to be! That's the underlying message in both Tommy's speaking program and his ebook, "You Are A SuperHero..."

For the past 20 years Tommy has been bringing that message to elementary school children with his award-winning original songs and motivational presentation. Now he brings his energy, humor, and amazing messages to middle and high school students.

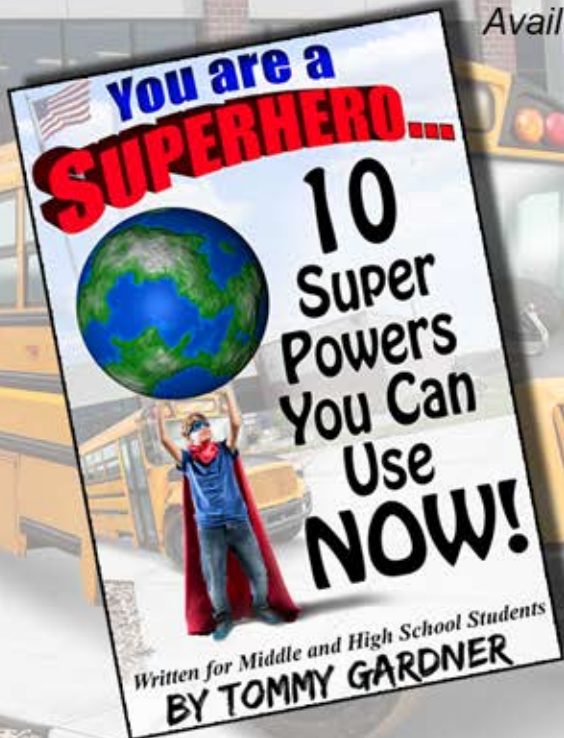

Some of the SuperPowers he talks about are; **power of words, power of choice, power of dreams, power to just say no**, and many others.

Request a synopsis of his presentation or even better, a **FREE** copy of his book!

It was intentionally designed to be read in about an hour, but the messages inside will last a lifetime!

**BONUS! Free copy for every student!
(\$2000+ value!)**
