## BLESSED BE THE LORD

By: Margo B. Smith

### VERSE 1

He sculpted the mountains  
He painted the sky  
He filled up the oceans deep and wide

Bestower of life  
The maker of all our days and nights  
Our loving provider, so generous  
Love poured out unmeasured and showered on us

My soul proclaims (Blessed be the Lord)  
Blessed be the Lord from age to age  
My soul proclaims*

Our Savior, He's our deliverer  
Our loving provider, so generous  
Love poured out unmeasured and showered on us

## EVERY KNEE WILL BOW

By: Margo B. Smith  
(Romans 14:11)

### VERSE 1

When the time comes for my last breath  
And I'm in the moment right after death  
What will I do when I finally see  
Jesus, who died for you and me?

### CHORUS

*In the presence of the Lord our God  
Every knee will bow  
In the presence of the One who is love  
Every knee will bow*

### VERSE 2

Sometimes I ponder and think of the time  
When I'll look in the eyes of the One who's divine  
To God be all glory and honor and praise  
Redeemer of sinners, the One who saves

### CHORUS

### BRIDGE

What will it be like to see God face to face?  
Total love, brilliant light,  
permeating the place  
What will it be like to hear God speak my name?

I will be totally amazed

### CHORUS (repeat)

**ENFOLD ME IN YOUR  
TENDERNESS**

By: Margo B. Smith

**VERSE 1**

Though I've been struggling  
And sadness has been felt  
You've brought me comfort  
You've been my help

**CHORUS**

*Here's my heart for You to mend  
Enfold me in Your tenderness  
In your arms I find rest  
Enfold me in Your tenderness*

**VERSE 2**

You are the Good Shepherd  
Filled with compassion  
You give abundantly  
You watch over me

**CHORUS**

**BRIDGE**

Healer  
Hear my cry  
Healer  
Dry my eyes

**CHORUS**

**END**

Enfold me in Your tenderness  
Enfold me in Your tenderness

**WHY SHOULD I BE  
AFRAID?**

By: Margo B. Smith

**VERSE 1**

It is so easy to fear the things that  
are unknown  
Because we don't know what we'll  
have to face  
My imagination tends to carry me  
away  
To a strange and troublesome  
place

**CHORUS**

*Why should I be afraid?  
For You are almighty and You love  
me  
Please help, I pray and You lavish  
me with aid  
So why should I be afraid?*

**VERSE 2**

Sometimes the things we fear  
never materialize  
And even when they do we come  
to realize  
That in those moments You give  
us the courage that we need  
You pull us through as You  
intercede

**CHORUS**

**BRIDGE**

When I start to worrying and I feel  
like it's doomsday  
I remember Your loving words,  
"Do not be afraid"

**CHORUS**

**END**

So why should I be afraid?

**LIVING ON**

By: Margo B. Smith

**VERSE 1**

Checking old messages I miss  
your voice  
Conversing with you was so sweet  
To be apart was never my choice  
What I'd give to hear your heart  
beat

**CHORUS**

*As I keep living on  
My love for you will not cease  
As I keep living on  
May your soul rest in peace*

**VERSE 2**

Tears in my dinner I cry at strange  
times  
My heart feels like it's been  
crushed  
Pictures of you help good  
memories rewind  
But they're no substitute for your  
touch

**CHORUS**

**BRIDGE**

Kissing your picture won't bring  
you back  
But sometimes it helps me to cope  
One day my sorrow will be in the  
past  
I'm embracing our heavenly hope

**CHORUS (repeat)**

**END**

May your soul rest in peace

Who gives eternal life

We worship You  
We put You first  
Glory, honor, praise to You  
Our hearts are filled with gratitude
