

## **If You See a Rainbow**

**If you see a rainbow,  
High above you making dark clouds fade away,  
If you see a rainbow,  
Something good is coming your way.  
If you see a rainbow,  
High above you reaching far across the sky,  
If you see a rainbow,  
Today's the day you'll spread your wings and fly.**

**Keep that rainbow with you,  
Watch those smiles grow,  
Let the whole world see your colors everywhere you go!**
