

One and Only Wonderful Me

Forever I will always be---the one and only wonderful me (2X)

These are my hands,
I'm going to reach up to the sky,
 Reach up to the sky,
These are my fingers,
I'm going to feel the rain outside,
 Feel the rain outside,
Let's go out and feel the falling rain!

Chorus

These are my eyes,
There is so much I want to see,
 So much I want to see,
These are my ears,
I'm going to hear birds sing to me,
 Hear birds sing to me,
Let's go out and hear them from the trees.

Chorus

This is my mouth,
I'm going to sing my song to you
 Sing my song to you,
Let's go out and sing a song or two!
