

Breathe the Breath of God

Words and music by Sylvia Lee Mann, ASCAP

Breathe the breath of God, the breath of compassion

Breathe the breath of God the Spirit of peace

Breathe the breath of God the fire divine,

Breathe the breath of God to live life anew.

Breathe in, breathe out, breath of God

Breathe out, breathe in, Spirit divine

Breathe in, breathe out, Spirit of Love,

Breathe out, breathe in, fill our hearts.

Breathe the breath of God, the breath of compassion

Breathe the breath of God the Spirit of peace

Breathe the breath of God the fire divine,

Breathe the breath of God to live life anew.

Melt me, mold me, fill me use me,

Spirit of the living God.

Holy Spirit, breathe on me

Spirit of the living God

Breathe the breath of God, the breath of compassion

Breathe the breath of God the Spirit of peace

Breathe the breath of God the fire divine,

Breathe the breath of God to live life anew.
