

Thad Beckman

Singer / Songwriter / Guitarist

“Beckman has released a knockout of an album with lots of stylistic variety. This is powerful stuff, beautifully performed and exquisitely produced. Quite a find!”

(Blair Jackson, *Acoustic Guitar*)

“One of America’s best guitar players and a damn good songwriter.”

(Tom Russell)

"Beckman plays an engaging blend of folk, singer-songwriter and blues music. Not everyone can pull off such a combination, but Beckman has chops, writing talent, and a bag full of true stories which all dovetail for a cool show. ”

(Jim Beal, San Antonio Express-News)

“With a voice that rasps like shoe leather on roadside gravel, and a finger-picked guitar on which notes fly by like railroad ties under a fast moving freight, Thad Beckman seems ideally suited to the wandering troubadour's tradition.”

(John T. Davis, *Austin-American Statesman*)
