

# Poison Ivy

(By Georgi Schmitt)

## Chorus:

Em D C B7

Poison Ivy

Em D C B7

Poison Ivy

Em

Am

The deadliest three leaves that you'll ever find

B7

Em

And a fuzzy, fuzzy, fuzzy, fuzzy, fuzzy brown vine

Em D C B7

Take a good look around my place

Em

D

C

B7

I see daffodils and buttercups and queen ann's lace

Em

Am

But what I don't see, it takes me off guard

B7

Em

Is poison ivy all over the yard

## Chorus

There's poison ivy down by my toes

Take a look and there it is under my nose

I turn and I run, I look back and I see

The poison ivy chasing after me

## Chorus

So treat those plants with great respect  
Or you'll itch from your tippy toes right up to your neck  
Those little red bumps will make you itch and scratch  
So keep out of the poison ivy patch
