

Poison Ivy

(By Georgi Schmitt)

Chorus:

Poison Ivy, poison Ivy
The deadliest three leaves that you'll ever find
And a fuzzy, fuzzy, fuzzy, fuzzy, fuzzy brown vine

Take a good look around my place
I see daffodils and buttercups and queen Ann's lace
But what I don't see, it takes me off guard
Is poison ivy all over the yard

Chorus

There's poison ivy down by my toes
Take a look and there it is under my nose
I turn and I run, I look back and I see
The poison ivy chasing after me

Chorus

So treat those plants with great respect
Or you'll itch from your tippy toes right up to your neck
Those little red bumps will make you itch and scratch
So keep out of the poison ivy patch

Chorus
