

Kidstuff

(By Sean McCollough)

Chorus:

It's Kidstuff, no matter what your age is
Kidstuff, it's really quite contagious
Kidstuff, you just can't go wrong
It's Kidstuff, you can listen on the radio
Kidstuff, it's your very own music show
Come on, sing along

Music, music makes life better
Whether you're 5 or 95 years old
Cause music goes with all kinds of weather
When the music's hot, it'll keep you warm, even when it's cold

It's the sound when the fiddle and the banjo play
Or when the slide trombone has something to say
The electric guitar, it can cry and moan

Oh the cello, the piccolo and the xylophone
Those African rhythms make you jump and shout
That rockin' and rollin' is what it's all about
And just in case you haven't figured it out
Let me tell you what I'm talking about
