

Thank you

Dear

Thank you for your contribution to Valencia High School Choir 2019-2020 school year. With over 180 students in the choral program and very little funding we rely on community support such as yours.

The VHS Choirs have six concerts during the school year where your advertisement will be included and seen by hundreds of people in our community.

Our program has received multiple prestigious awards and is recognized throughout California and the nation. Valencia High School Choir has a phenomenal program that keeps getting better each year. Please consider supporting the VHS Choirs in the future.

Thank you again for your support.

Sincerely,
