

JAZZ RESULTS: Soundwaves & Two N Four Vocal Jazz Roster 2020-2021

Dear Incoming Valencia Choir Students -

(This is the part where everyone skips past, but **PLEASE READ**)

This was a hard year for auditioning as we had to do it through video audition. Extremely competitive were the Alto and Soprano spots (10 spots total). With that being said, I could only base decisions on what you turned in, and meaning that since your audition is taped and not live, I listened to every nuance and detail in making this decision.

However, this was your audition on this particular day. If you did not make it this year, please know that your audition was worth it, I heard you and your beautiful voices and I'm determined to make your school year as advanced as you want it to be - if you want to challenge yourself with solos, small ensembles, piano lab, or work more with performing with a rhythm section live, all of these things are possible. I also will give you honest critique on your audition IF you want to know.

I'm also going to encourage you to audition for the SCVA Honor Choir Ensembles (including the vocal jazz ensemble). Keep Auditioning!

I'm very proud of each of you for working, reaching, and putting your best effort into developing your voice as a singer/musician. Keep working towards your goals, I want each and every one of you to succeed!

Love,
Mrs. Mocha
