Quotes

"More energy than a chinchilla on speed." Barney Roach - Blue Ink

"DeMink has earned international acclaim for his dynamic showmanship and mastery of blues, soul and rock..... a whirling dervish who jumps on everything but the stage"

David Moye - Wireless Flash

"You've got to see Hot Rod live to believe him, but even that doesn't stop some people from thinking their eyes are playing tricks on them.....Hot Rod is an original."

Michael Kinsman - San Diego Blues Fest

Südwest Presse - Schwäbische Donau Zeitung (Germany) - 15. April 2004

Ein Paradebeispiel für bestes Musikentertainment ist Gitarrist Jerry DeMink. Die Lockerheit, mit der er sein Instrument beherrscht, wie er tänzelt, rockt, spontan zwischen einfachsten Country-Riffs und komplexen Jazz-Akkorden wechselt und auch mal im "Todessprung" mitten ins Publikum hechtet - das ist brilliant.

A classic example for best music entertainment is guitarist Jerry DeMink. His relaxed and easy going way, how he is handling his instrument, dancing, rocking, spontaneously changing between the most simple Country-Riffs and complicated Jazz-chords and sometimes diving right into the audience with a death jump-it`s brilliant.
