

C Dm7
(Soon) soon we'll be married,
C Dm7
And raise a family, (oh yeah)
C Dm7
A cosy little home out in the country,
C Dm7
With 2 children, maybe 3.
C Dm7 C Dm7
I tell you I----- can visualize it all.
C Dm7 C Dm7
This couldn't be a dream for too real it all seems.

C Dm7
But it was just my imagination (once again)
C Dm7
Running away with me, (ooh)
C Dm7
It was just my imagination
C Dm7
Running away with me.

C C
Every night on my knees I pray,
C C
Dear Lord, hear my plea,
C C
Don't ever let another take her love from me,
G7
Or I will surely die,
G7 C
(Her love is) heavenly
C
When her arms enfold me,
C C
I hear a tender rhapsody,
C C
But in reality, she doesn't even know me

C Dm7
But it was just my imagination (once again)
C Dm7
Running away with me, (ooh)
C Dm7
It was just my imagination
C Dm7
Running away with me.
