Intro: Am F C x2

Verse 1
Am                             F                          C
Guess it's true, I'm not good at a one-night stand
Am                 F                               C
But I still need love 'cause I'm just a man
Am                        F                   C
These nights never seem to go to plan
Am                        G                                C
I don't want you to leave, will you hold my hand?

Chorus
        Am          F          C
Oh, won't you stay with me?
        Am          F          C
'Cause you're all I need
        Am          F          C
This ain't love, it's clear to see
        E7            Am          F          C
But darling, stay with me

Verse 2
Am        F             C
Why am I so emotional?
Am                       F                             C
No, it's not a good look, gain some self-control
Am                       F                   C
And deep down I know this never works
Am                          F           C
But you can lay with me so it doesn't hurt
