

# HENRY DEHLINGER

COMPOSER & CREATIVE THINKER

## SHORT BIO

*73 Words*

American composer Henry Dehlinger stands out in the world of 21<sup>st</sup> century classical music. Hailed by *Gramophone* for his “vibrantly colorful palette,” he has produced an impressive catalog of music for choruses, orchestras, chamber ensembles and solo vocalists. New York musicologist James Melo calls him, “one of the most successful practitioners of polystylism,” and “a major champion of vocal and choral music.” *Audiophile Audition* calls his work “stunningly superb” and “Formidably essential listening!”
