

MARK LEWIS AUDIENCE REVIEWS

People, if you have the chance to listen to Mark Lewis, DO IT! He is amazing!

– Joyce N., Bremerton, WA

Some of the things he does on the saxophone aren't possible. If those things he does that I can't explain were possible, other people would be doing them.

– Gary B., Tacoma, WA

I have never before heard musicianship that grand, and I attend many musical events. After one performance, I have become a dedicated fan. Can't wait to see him again. – Carole G., Tempe, AZ

Jazz is not dead. It is alive and well and doing better than ever in the hands of Mark Lewis and his soulful sax, that he has always performed with such grace and heart that it has brought me to tears. The house was packed and it stayed packed until the very end. It's a night to remember.

– Suzanne G., Olympia, WA

I came to see Mark and JB Butler last summer. I still tell my friends about the great music I heard that night. Prior to seeing Mark live, I had been to many, many concerts - several of them jazz related. But what I saw Mark and JB do was electric - really very special.

– Mike S., Chesapeake, VA

When I listen to Mark's music, I feel like angels come into our home and tell us everything is going to be all right. I am so grateful for the fact that we can listen to it on his website.

– Louise R., ME

Most Jazz Players play in the safe middle ground of the chords; Mark is always exploring the edges, the very edges rhythmically and tonally. It's never been the same twice, so far. I thank God for Mark Lewis. I can face Monday now.

– Fred K., Port Orchard, WA

When music gives me goosebumps and makes my hair stand on end, I know it's great.

– Don W., Bremerton, WA

Mark Lewis knocked everyone out with his fantastic playing and joyful exuberance.

– Pete S., Tucson, AZ

I've been to a lot of clubs in New York during hours and after hours and I've never enjoyed a set like this. – Bob H., Newport, RI

I grew up in New York City in the 50's and heard all of the greats. Mark Lewis is right up there.

– Jacob M., Brooklyn, NY

Mark has captured and released the essence of the joy of playing music! I was inspired!

– Joe D., Monterey, CA

That was one of the best concerts I've ever heard. We've been going to the 'First Sunday' concerts for several years. We've seen dozens, but this was the first standing ovation! It was EXCELLENT in every way.

– Rex O., Bainbridge Island, WA

I just want to thank you again for the wonderful, fantastic performance the other night. Everyone is still talking about it. Mark is an extremely talented performer and one of the best saxophone players I have heard. All were very impressed.

– Jean B., Peoria, AZ

You make my heart glad. I can't stop smiling.

– Jim L., Kansas City, MO

I loved the show at the Lighthouse!

– Daniel E., Hermosa Beach, CA

It's hard to say anything in small bite-sized pieces about Mark Lewis. On alto, I've heard none better. When he includes some pieces playing flute and others playing baritone it is clear that either one could be his main instrument as well. His baritone is seamless across the full range. Again, I have heard none better. He contributes a lot to my quality of life.

– Roger C., Port Orchard, WA

When I go to Jazz Alley, I'm lucky when I hear music this good.

– Joe C., Vashon Island, WA

This was the best hour of music I have ever had the privilege of experiencing – the last set with Mark Lewis et al. I was blown away!

– Michael M., Bremerton, WA

If you have any opportunity to enjoy Mark Lewis on sax and flute, take it. ... the audience couldn't get enough.

– Helen K., Great Barrington, MA
