Rhydian Lewis Photography, Media and
Entertainment

Green Room arrangements.

If Available, a room with seating should be supplied, along with access to toilet facilities if available

Meals and beverages

If Catering is provided at the event, a meal preferably before the show, or in the break is required. Soft drinks and water are preferable and can be supplied to the green room, prior and during the show.

Sound Check.

Sound check times during the working week are preferable after 5pm if possible. Sound check time should be a least a minimum of 30 mins and a maximum of 1 hour.

Production.

If production is supplied then all equipment should be in situ prior to sound check please.

For solo Sound engineer to cue tracks on a cd, or computer with USB input for MP3's,so they will need CD player and wireless mic with fresh batteries. On stage I will need at least one wedge, preferably 2, making movement around the stage easier.

Lights controller info.

Please have a walk through with Rhydian prior to show, either pre, or post sound check, if applicable.

Accommodation and travel

If travel and/or accommodation has been organised, all details should be emailed through to rhydianlewis@aol.com ASAP. Morning flights back to the Gold Coast are preferable and transfers must be pre arranged to and from airport, accommodation and Venue.

**Both albums available now on
iTunes**
