

MOON WOMAN SPIRIT
© 2001 by Heather Pierson

When the full moon rises
I am one with the spirit
Moon spirit, let me shine

When the full moon rises
I am one with the spirit
Moon spirit, hear me cry

Hear me cry, oh hear me cry
Let me shine, oh let me shine

When the half moon rises
I am one with the spirit
Moon spirit, let me shine

When the half moon rises
I am one with the spirit
Moon spirit, hear me cry

Hear me cry, oh hear me cry
Let me shine, oh let me shine

When the new moon rises
I am one with the spirit
Moon spirit, let me shine

When the new moon rises
I am one with the spirit
Moon spirit, hear me cry

Hear me cry, oh hear me cry
Let me shine, oh let me shine
