

WHEN I WALK

© 2001 by Heather Pierson

When I walk, I walk with pride,
When I walk, I walk with joy
When I walk, I walk in peace

When I sing, I sing with pride
When I sing, I sing with joy
When I sing, I sing in peace

Chorus:

Let us all form a circle
Let us all come together
And be there for each other in peace

When I talk, I talk with pride
When I talk, I talk with joy
When I talk, I talk in peace

When I dance, I dance with pride
When I dance, I dance with joy
When I dance, I dance in peace

Chorus

When I love, I love with pride
When I love, I love with joy
When I love, I love in peace

As I live, I live with pride
As I live, I live with joy
As I live, I live in peace

Chorus
