

## YES TO LOVE

© 2019 by Heather Pierson

Whenever I say no to hatred  
I'm sayin' yes yes yes to love  
Whenever I say no to hatred  
I'm sayin' yes yes yes to love

I'm not turnin' my back on anything  
I am opening my arms to the world  
So whenever I say no to hatred  
I'm sayin' yes yes yes to love

Whenever I say no to sadness  
I'm sayin' yes yes yes to joy  
Whenever I say no to sadness  
I'm sayin' yes yes yes to joy

I'm not turnin' my back on anything  
I am opening my arms to the world  
So whenever I say no to sadness  
I'm sayin' yes yes yes to joy

Well sometimes it's easier to give up the fight  
Sometimes it's so hard to do what is right  
But I won't lose sight of love

Well sometimes it's easier to give up the fight  
Sometimes it's so hard to do what is right  
Yeah sometimes it's easy to get lost in the night  
Sometimes it's so hard to reach for the light  
Yeah sometimes it's easier to give up the fight  
Sometimes it's so hard to do what is right  
But I won't lose sight of love

I'm not turnin' my back on anything  
I am opening my arms to the world  
So whenever I say no to hatred  
I'm sayin' yes yes yes to love
