

## FAST & FURIOUS

Fa Fa Fa Fa Faaaa...

Fast

Fa Fa Fa Fa Fa Fa Fa Fa Fa(chorus)

& Furious

Fast

& Furious

Sometimes you make me laugh

Sometimes I think you're dumb

Sometimes you make me wait

Sometimes the time has come

You just keep talk talk talking about

Who you know and who did that

Wise Up Honey

Cause this could be our last chance

Fast & Furious

Fast & Furious

Why? Because!

You wanna sleep with me

But then you talk w/ him

So why don't we lie down

Why don't we shut up

And then we can begin again

I know that you said that she said that he said that we all did this before

Why can't we live our life like its like there's no one keeping score no more

Fast & Furious

Fast & Furious

Why? Because!

Fast & Furious

Fast & Furious

Fast & Furiousss
