

I'M BORED

I'm Bored/ With The World Today
No More/ Than I Ever Used To Be
I'm Bored/ I Can't Get Enough
Sometimes/ You Gotta Tear It Up

I'm Sick
I Need a Music Scene
I want what I want
I want what I need
I'm Sick/ I ain't gotta cure
It's time/ it's time for being heard

I'm Sick & Tired X8

I'm Tired/ but I can't give up
I'm the howling dog
The cat that won't shut up
I'm the ticking bomb
I'm the pill you're on
I'm the final gear
I'm a King in here

I'll guarantee it all
And continue to do
Everything I want
When and where I choose
Like Rip Van Winkle I took a nap
And like Godzilla I'm coming back

I'm Sick & Tired X 8
