Thy Name is Great

Music and Lyrics by: J. Joy

Music Arrangement by: Vincent Wilson

Lead Vocal: J. Joy

I know 5x
I was down, I was lost
You paid the price for me on Calvary's cross
You washed me in Your blood and made me whole
And now my spirit knows it knows that it knows

I now have peace in the heart of war
I thank you Lord for it is You whom I adore
I've been delivered and now I am new
And He'll do the same for you when you seek out the truth

Chorus

I know Thy name is great 4x

It's really real how He transformed me
I'm not without sin but still righteous in Him
His love so amazed me that
I just want to love Him back
He died a perfect man for me
And there's no greater love than that

Chorus

I know 5x
I was lost, I was lost
He paid the price for me on Calvary's cross
Washed me in His blood and made me whole
And now my spirit knows it knows that it knows

I know Thy name is great
I know Your name is great 2x

SAME GOD

Lyrics by: James Small and Don Sutton

Music Arrangement by: James Small

Lead Vocal: Don Sutton

“Jesus is the same yesterday, today and forever more.”

Verse

He holds the world, in the palm of His hands
Led Israel through the sea, across on dry land
Brought the children of Israel out of the wilderness
There is nothing too hard for the Lord
He's the same God!

Verse

He was there with Daniel in the lion's den
With the Hebrew boys, and the fire they were in
Fed the multitudes on the mountain side
There is nothing too hard for the Lord
He's the same God!

Chorus

Choir: He's the same God
Lead: That delivered me from my sin
Choir: He's the same God
Lead: He can wash you from within
Choir: Oh, oh, oh, by His power
and His stripes we are healed
There is nothing too hard for the Lord
He's the same God!

Verse

Pray to Him, and don't ever doubt.
He made you a promise; He will surely bring you out
Never give up and never give in
There is nothing too hard for the Lord
He's the same God!

He's a healer

Keeper - Keeper of my soul
He kept me in His arms safe from hurt harm and danger
He's a keeper

Savior - Saved me from a wretched hell
He saved me from my sins

Savior He's a savior

Blew his trumpet and the walls came tumbling down

The Lord Is My Shepherd

Music and Lyrics by: Carol “Kelly” Thomas

Music Arrangement by: James Small

Lead Vocal: Carol “Kelly” Thomas

Because the Lord is my Shepherd
I shall not want
He makes me to lie down in green pastures
He leads me besides the still waters
And yes, He restores my soul

Because the Lord is my Shepherd yeah
I have everything little that thing I need
He lets me rest in His arms
And then the Lord He leads me
He leads me beside the quiet streams
Yes He does

He leads me in the path of righteousness for His name sake
And Yea though I walk through the Valley of the shadow of death I will fear no evil
For you are with me
Lord, Your rod and your staff they comfort me
You prepare a table before me in
The presence of my enemy

(Chorus)
You anoint my head with oil
My cup runs over
Surely goodness and mercy
Shall follow me all the days of my life

(Spoken Word)
Most assuredly, I say unto you
He who does not enter the sheepfold by the door
But climbs in another way, the same is a thief and a robber

But he who enters by the door
Is the Shepherd of the sheep
To Him the door keeper opens, and
The sheep hear His voice and He calls
His own sheep by name and leads them out

And when He brings out His own sheep
He goes before them and the sheep follow Him

For they know His voice
Yet they will by no means follow a stranger
But will flee from him
For they do not know the voice of strangers

Most assuredly, I say unto you
I am the door of the sheep
All whoever came before Me are thieves and robbers

I am the door
If anyone enters by Me
He will be saved and I will go in and out
And find pasture
The thief comes to steal, kill, and to destroy
I have come that you might have life
And that you might have it more abundantly

Surely goodness and mercy shall follow me
All the days of my life and I will dwell in the House of the Lord forever

When it seemed all hope was gone
But I knew that you loved me
For the Bible tells me so

Weeping may endure for a night
But joy comes in the morning
I can take it

I should have been dead
Sleeping in my grave
But Lord you made ole death behave
Standing here thinking back over my life
Lord, you sure have been good to me

When I was down and out
and didn't have a dime
Lord you made a way out of no way
Nobody to talk to and nobody to lean on
I could run to the Rock Christ Jesus

Held my hand
Kept me strong
The lord pitied my every groan
Weeping may endure for a night
But, joy comes in the morning

I (You) (We) can (repeat)
