

## Old Gray Deadhead

Running time: 4:55

From the album "Something To Fall Back On" by Berkley Hart

Written by Calman Hart

He's almost 57  
But he remembers 25 like it was yesterday  
He still feels that way

He's got a house in Sausalito  
But for nearly 30 years he made his bed  
Following the Dead

[chorus]

He's an old gray Deadhead  
Lost in the summer of '69  
He's an old gray Deadhead  
He don't trip no more, but he still gets high

He calls his girlfriend "mama"  
He wears a rock-and-roll t-shirt everyday  
And he hardly ever shaves

He still loves "Truckin"  
No matter what his other Dead friends say  
He loves "Truckin" anyway

[chorus]

He had a motorcycle  
He sold it when Jerry Garcia died  
He said he had nowhere left to ride

[chorus]
