

Love You To the Bone

Jeff Berkley

I wanna follow you around
Wherever you go
Take you out on the town
Cause neon makes your feelings show

I wanna pick you up
I wanna walk you home
When the sun comes up in the morning honey I don't want you to go
I don't ever want you to go

So if your heart feels lonely
Don't let it turn to stone
I'll be your one and only honey
I wanna love you to the bone
I wanna love you to the bone

I wanna take you to the malt shop
We can sip two straws
I can look deep into your eyes pretty darling
And I don't feel my flaws
I don't ever feel my flaws

So if your heart feels lonely
Don't let it turn to stone
I'll be your one and only honey
I wanna love you to the bone

Don't think I'm a phony
Cause I want you heart and soul
Not just skin deep only honey
I wanna love you
I wanna love you
I wanna love you
To the bone
To the bone
