

Lonely Town

Running time: 3:24

From the album "Something To Fall Back On" by Berkley Hart
Written by Jeff Berkley & Calman Hart

I aint goin crazy
I think I'm scared
But things just got too hazy
And we were unprepared
You always found it easy to love me
But that clocks run down

[Chorus]

I been looking for a secret entrance
But you heart's locked down
I always wind up livin in lonely town
I been hopin I could make a difference
But I aint sure how
I always wind up livin in lonely town

I lost my way the day that I lost you
And even though I know my own soul
I can't tell ya true
I been looking for a ray of hope
But there aint one around

[chorus]

[Bridge]

Your heart plays hide and seek
I'm runnin out of steam

[chorus]
