

Don't You Cry

Jeff Berkley & Calman Hart

It ain't that I can't bear to hear you crying
You are so dear to my heart
Lately I don't see you trying very hard
To keep from falling apart

Don't you cry
When your heart is cavin' in
And you're lost without a friend high and dry
Don't you cry
When there ain't nowhere to turn
And your eyes begin to burn
When there's nothin' left to try
Don't you cry
Why don't you cry

Are you frozen and afraid or just cold hearted
Are there tears inside awaiting your command
Would they flow if you could only get 'em started
Or is it really that you just don't give a damn

[Chorus]

Don't ask why
Tears don't lie
Don't be shy
It's just you and I

[Chorus]
