The river's on the rise  
Swift and gentle like the breeze  
It swallows everything but sky  
And suffocates the trees

[chorus]  
Here comes the water  
Should I struggle or give in?  
Does it even matter  
If I sink or swim?

There ain't no more higher ground  
As far as I can see  
My heart begins to pound  
It's getting tough to breathe

[chorus]

Your love is like the ocean  
Beautiful and dangerous  
A tempting magic potion  
And not enough is just too much

[chorus]
