The Rio Grande is runnin' deep
How I love to let it sweep me down
Flowin' with the oak leaves pushin' south

I got some friends in San Antone
They always open up their home to me
Send me up the road with a good night's sleep

Chorus:
Lace your boots up tight
Tomorrow we'll be one day older
Rain or shine
Tonight I want to run for the Texas line

Well the southern sun is mean
But there's hollers in between the hills
When the wind flies through the trees
It cools yer heels

[chorus]

There's a rhythm in the land
I can feel it in my hands and feet
And it lives in every note and every beat

[chorus]
