

## Desert Rose

Running time: 3:28

From the album "Something To Fall Back On" by Berkley Hart

Written by Jeff Berkley and Frank Lee Drennen

God bless all my promises  
That have been said not done  
God bless all the things we lack and what we have become  
At 4:15 my mind is clean  
A flowing stream of twilight dreams  
And through the cold narcotic steam  
I realize what's gone wrong

Chorus:

My desert rose  
Living where nothing grows  
My dried up soul  
Is just enough to let your color show

God bless who you are for me  
And how I fail for you  
God bless how you let me be  
Just when I need you to  
I know that you're so good for me  
Your magic heart is wild and free  
And I'm afraid I'll never be much more than just a fool

[Chorus]
