

Come On In

Running time: 2:54

From the album "Something To Fall Back On" by Berkley Hart
Written by Jeff Berkley & Calman Hart

What's up, what's goin' down
It's been too long since you've been around
Couple shots of whiskey, maybe just a beer
Do whatever you want, cuz' we're all friends in here

Chorus:

Come on in, set on down
Take a load off and hang around
Raise a glass to a friend
It's good to see you,
It's good to see you again

The sun goes down on another day's work
In the trunk of my car I got a guitar and a clean shirt
So bring down the lights and we'll light up the room
You keep the rhythm and I'll play you the tune

[chorus]

You're just like a break in the weather
As welcome as a cool summer rain...

[chorus]
