

Everybody

Running time: 3:39

From the album "Something To Fall Back On" by Berkley Hart
Written by Jeff Berkley & Calman Hart

Telephone ring,
I think I'll just leave it for the phone machine
It's pourin' down rain
And I'm lost in the rhythm on the windowpane

Chorus:
Oh, I know
It's gonna be okay
Sometimes
Everybody feels this way

What about you
I wonder if the rain is playing your window too
I hope you don't mind
If I spend a day to think about you one more time

[chorus]

I've got this feeling
I'm gonna need some healing
Life is too real and I feel in the way
But I got me some records
And I'm gonna let 'em play
I know what they'll say...

It isn't so bad
Sometimes it helps to feel a little bit sad
Tomorrow ain't far
It's just around the corner from the moon and the stars

[chorus]
