

Enough's Enough

From the album "Twelve" by Berkley Hart
Written by Jeff Berkley

What if I was rich?
Or what if I was famous?
What if I was beautiful
and all that stuff?

If I took good photographs
If I had a sexier laugh
If I had a real cool car
Would that be enough?

Chorus:
Enough's enough
'Cause all the real cool stuff
Can't be measured in a bank account
Or ever fill up a paper cup
Enough's enough
Quit sweatin' all the small stuff
Or your life is gonna be too rough
Enough's enough

What if I knew the secrets
Of heaven and hell
Would it feel any better
Y'know you never can tell

Cross my heart
And baby, if I die
Will the grass be greener
On the other side

[chorus]

Time is wastin'
It disappears
My life is now
And here

[chorus]
