Dedicated to the notion that fans of the Smiths and Morrissey want to hear some of the greatest music ever written in a true live concert setting, Caligula Blushed delivers an authentic rendition of Smiths/Morrissey songs, with each performance based on an impeccable set list.

Seasoned Mozzer Quinn has fronted multiple Smiths tributes, including Girlfriend In A Coma, with whom he once performed in place of Morrissey's 2007 Rams Head cancellation. Quinn's spot-on Moz mannerisms and vocals, paired with the band's top flight musicians, render each Caligula Blushed performance a visceral live experience for all Smiths and Morrissey fans!
