### Verse 1

**Em**            **C**            **G**            **D**  
Though we travel on a road unknown  
**Em**    **C**                    **G**  
Your hands prepare the way  
**Em**            **C**                    **G**            **D**  
Though we wander still You lead us home  
          **Em**            **C**            **G**  
To Your kingdom of glory and grace  
**Am**    **C**                    **G**            **D**  
If we journey of our own volition  
**Am**    **C**                    **D**  
We'll strive to no avail  
**Am**            **C**                    **G**            **D**  
Guide us gently to the path of truth  
          **Em**            **C**            **G**  
Where Your glory shall ever prevail

**Em**            **C**  
Oh Lord, capture us  
          **Gsus4** **G**            **D**  
With the never-changing promise  
          **Em**            **C**                    **G**            **D**  
Of your grace, of Your everlasting grace  
          **Em**            **C**  
Oh Lord, fashion us  
          **Gsus4** **G**            **D**  
In the purpose of Your will

Help us walk in Your ways, in Your ways

### Verse 2

**Em**            **C**                    **G**  
Though we're faced with trials and  
          **D**  
temptations  
**Em**    **C**                    **G**  
And some may not believe

**Em**            **C**                    **G**            **D**  
Your salvation will go forth with joy  
          **Em**            **C**            **G**  
Such a gift, given to the redeemed  
**Am**            **C**                    **G**            **D**  
Lord, Your perfect Word will not be silenced  
**Am**    **C**                    **D**  
However we may stray  
**Am**            **C**                    **G**            **D**  
So the heavens and the earth proclaim  
          **Em**            **C**                    **G**  
We will walk in Your ways, in Your ways  
          **Em**            **C**                    **G**  
Help us walk in Your ways, in Your ways

Help us cling to Your infinite grace  
          **Em**            **C**                    **G**            **D**  
So we'll sing of the pow'r in Your name

And we'll walk in your ways, in your ways
